Infos from Addis Ababa...

- The **UCBP annual evaluation meeting** is scheduled for February 16, 2010. Dr Elmar Kleiner, Director General of GTZ IS, will attend this meeting to participate in discussions on:
 - Project forecast, timeline as well as construction progress
 - Student In-take in 2010
 - Treatment plant construction
 - Capacity Development
 - Financial situation
- A workshop to develop a **roadmap for 2010** is conducted from 01-02.02.10 with 4 Site Managers, 11 Resident Engineers and 14 Senior Engineers. Tasks, developments and responsibilities are discussed for all construction sites; the results are defined with necessary measures for acceleration of progress. This roadmap then forms the basis for the required workforce in 2010 within the UCBP and will be presented in the annual evaluation meeting.
- **The UCBP exhibition**, previously presented in the German Architectural Museum in Frankfurt, Germany, was opened on 11 January 2010 in the Goethe Institute Addis Ababa. Around 80 people listened to the opening remarks from H.E. Ato Demeke Mekonnen, Minister, Ministry of Education, Dr. Elke Kaschl-Mohni, Director of the Goethe Institute and Mr. Stefan Helming, Director GTZ IS Ethiopia. Starting from 1 February 2010, the exhibition is shown in the German House, Casa Inchis.

Infos from the sites...

- For the first time in Debre Birhan, a **CEFE business start-up** training will be conducted for 25 TVET graduates. Starting on 9 February, the graduates learn how to start their own businesses within their respective field of study.
- **Prof. Dr. Klaus Rueckert** and his team will visit Ethiopia for the third and last time from 24 February until 02 March 2010. The purpose of his visit is to assess the UCBP construction quality. He is planning to visit Adama, Debre Birhan and Semera sites.
- Dr. Claas Knoop, Ambassador of the German Embassy in Addis Ababa will visit the **Robe Site** on the 25th of February together with Ethiopian media representatives from ETV, Walta Information Center, Reporter newspaper and Deutsche Welle.
