Meetings/ workshops in March

- **26.03.10:** Monthly UCBP breakfast, location: TK Bldg 9th floor

Infos from Addis Ababa...

- Martin Hansen is the **Director of GTZ IS Ethiopia** from 1st of March onwards; he will remain the Director of UCBP as well.
- The following decisions were taken following the annual **UCBP evaluation meeting** on 16th of February 2010:
 - The capacity building components are going to be concluded on 30 April 2010.
 - Two additional issues shall be integrated in UCBP:
 - operation of treatment plants and
 - operation and maintenance of universities

UCBP management will discuss with national UCBP staff on further employment and the new adjusted organizational set-up in mid-March 2010.

- A **Microsoft project workshop** was conducted on 26th of February 2010 for seven managers and seven coordinators of Tier II companies. The objective was on improvement of project management.
- **The UCBP exhibition**, was presented for the 3rd and last time in the German House from 03-28.02.10.

Infos from the sites...

- **Prof. Dr. Klaus Rueckert** and his team are visiting Adama, Dila, Dire Dawa and Sodo UCBP sites from 27th of February until 07th of March 2010 to assess the construction quality.
- 13 days **CEFE training** in Mizan Teferi will be given for 23 sub contracted enterprises owners starting from 27 of February 2010. The workshops will help them to develop and upgrade their business management skills.
- **CEFE business start-up** training was successfully conducted in Debre Birhan UCBP site for 25 TVET graduates. The students have gained the necessary methods that will enable them to start their own business.

On behalf of GTZ IS, Martin Hansen handed over the present for Mr. Helming at the farewell celebration on 16.02.10

On his farewell, Mr. Helming said he is looking forward to his new position as a Country Director of GTZ in India
