Infos from Addis Ababa...

- African Union Peace and Security Building Project (AU-PSB)** will be integrated into the UCBP team as the 16th UCBP site until a general contract is issued.
- 60 construction companies are in the process of being certified in **ISO 9001:2000**. UCBP has initiated the certification process in collaboration with PDCA, the outsourced consulting firm providing advisory services for the companies.
- 377 buildings are **provisionally handed over** of which 170 are on awaiting stage before the final handover. The final handover of the 207 is expected soon.
- A final report** that explains the overall progress of Tier III program is prepared. The document will be distributed to the respective staff in June. For more information, please contact simie.gebrewold@gtz.de.

Infos from the sites...

- **Semera UCBP University** will host its first ever graduation on 26th of June 2010. Government officials, GTZ IS Management, university presidents, other invited guests and members of the press are expected to participate in the ceremony.
- Through the **capacity development program**, 28,222 participants have been able to develop their capacities within the UCBP in trades of Carpentry, Concrete, Electricity, Mason/Finishing, Metal, Plumbing, Gala/Infrastructure and others. Most of the trainees have been capable of starting up their own business while others got the chance to be employed in various construction companies.

Below is figurative expression of the participants:

- SMEs: 8,881
- TVET Students: 12,881
- Contractor staff:6,870
- Total participants: 28,552

GTZ staff members along with near and dear ones had the chance to get together and share enjoyable time on 23.04.10

GTZ staff members participated on the annual football tournament held German School on 22.05.10.
