Meetings/ workshops in January

- 28.01.11: Monthly GIZ IS Breakfast, location: TK Bldg No.2, 9th floor

Infos from Addis Ababa...

- From the beginning of January 2011 the Deutsche Gesellschaft für Technische Zusammenarbeit, International Services (GTZ IS) GmbH operates under the name **Deutsche Gesellschaft für Internationale Zusammenarbeit, International Services (GIZ IS) GmbH**.
- The Contract Administration Department (CAD), has prepared all necessary contractual documents essential for **2010 year-end closing**. The document includes, among others, construction contract value, engineers' estimate, building ID type, handing over status of all UCBP sites. It helps the Finance Department to determine the overall turnover of the project of 2010.

Infos from the sites...

- The full package of activated sludge **Waste Water Treatment Plant (WWTP)** will be implemented at all the UCBP sites from December 2010 onwards.
- According to the December 2010 cobblestone status report, so far a total of 6830 square meters of walkways have been paved with **cobblestone** at Adama, Axum and Semera UCBP sites. Moreover, cobblestone training will be given to Mizan Teferi and Tepi new cobblestoners in January 2011.
 - At each of the UCBP sites, **two national cobblestone Skill Up-graders** have been assigned for the supervision and support of cobblestone activities at the sites.
- **Warehouses** in Jijiga, Dese and Kombolcha are fully closed, whereas the closing procedure is ongoing at the rest of the UCBP sites. As a result, all reinforcement bars as well as infrastructure materials have been distributed to the client.

GIZ IS Ethiopia wishes all staff members a Merry Ethiopian Christmas.

The International staff Christmas was colorfully celebrated on 23rd of Dec 2010 at TK Bldg No.2.
