**Meetings/ workshops in December**

- 31.12.10: Monthly GTZ IS Breakfast, location: TK Bldg No.2, 9<sup>th</sup> floor

**Infos from Addis Ababa...**

- **Construction department** has been reorganised adding a new unit "Construction Finalisation" that focuses on final acceptance and defect rectifications, infrastructure network acceptance etc. Below is the organisational chart of the new structure:

- A **ProSoft training** will be given in December 2010 to staff members of the LPT. The training is aimed at introducing the various essential controlling methods of purchasing of high-level materials. A Procurement and Logistics expert from Eschborn will deliver the training.

**Infos from the sites...**

- Dire Dawa site has become the forth site next to Adama, Nekemte and Jijiga to implement the full package of activated sludge **Waste Water Treatment Plant (WWTP)** upon the approval of the go ahead form the client in November 2010.
- So far 4000 square meters have been paved with **cobblestone** in Adama. In addition, five other SMEs have signed contracts to implement pavement works. Debre Birhan, Jijiga and Semera sites have also signed contracts as well.
- Nekemte UCBP staff participated on the **Nekemte Great Run where** 21, 000 runners participated on the 14<sup>th</sup> of November 2010.

GTZ staff participated in the 10 km Great Ethiopian Run on 21.11.10 together with 38,000 people.

Nekemte Great Run took place on 14<sup>th</sup> of November 2010.
